LANDSCAPING

WHY DMG?

Divisions Maintenance Group is a top landscaping provider in the U.S., according to Lawn & Landscape and Landscape Management's annual rankings.

Our customers include big box retailers, REITs, restaurants, logistics, hospitality and educational institutions, single family rentals and many more.

BOOTS ON THE GROUND

Our field team is an extra set of eyes and ears on your properties, performing regular inspections, verifying work, coaching providers and catching and correcting any misses before they rise to your plate.

NATIONWIDE COVERAGE

We have more than 8,000 qualified and vetted landscaping providers across the country. Our field team coaches providers to your specific standards and preferences.

SINGLE POINT OF CONTACT

No call center. You'll have a dedicated DMG Account Manager and support team built to meet your needs.

STRONG PROVIDER MANAGEMENT

We vet providers upfront, provide ongoing coaching and monitor performance rates over time to ensure consistency and quality.

WORK VERIFICATION

Along with our field team, we use GPS tracking, check-in and check-out and before and after photos to ensure your landscaping is clean, healthy and gives a great first impression of your properties.
